RESPONSE AND AMENDMENT UNDER 37 CFR 1.111 AND 1.115

Sir:

Responsive to the Office Action dated January 15, 1991, kindly amend as follows:

IN THE CLAIMS:

Claim 10, line 1: Cancel "prevention".  
line 2: Cancel "or".

R E M A R K S

Claim 10 has been amended to remove the 35 USC 101 objection thereto by the Examiner as set forth on page 2 of the Office Action.

Claim 10 has also been rejected as unpatentable over EPA 0227410 (Reference L) on a basis that this Reference teaches that "adamantane derivatives may be used to treat Alzheimer's disease and Alzheimer dementia". The Examiner has directed the applicants' attention to several portions of the disclosure of Reference L.
